**RENAISSANCE HEALTHCARE ANNOUNCES PROMOTIONS**

ORLANDO, June, 2008 – Renaissance Healthcare Group, LLC has announced two promotions to coincide with the realignment of its management team. Jenny Stokes as been promoted to Administrative Program Manager and Marianne Wilson has been promoted to Clinical Program Manager. Both managers will be responsible for all services and operations at Pasadena Villa and the Transitional Living & Learning Center.

Jenny Stokes has been with Renaissance Healthcare since July 2005, and has most recently held the position of Program Manager for the Transitional Living & Learning Center. Jenny will now be the administrator of record for Pasadena Villa and will manage all operations in the Orlando market.

Jenny has over 15 years of experience in the behavioral healthcare industry, and has worked in various levels of care ranging from acute to outpatient. She earned her BA degree in Recreation and Leisure Studies from the University of Georgia and also holds national Certification as a Therapeutic Recreation Specialist (CTRS).

Marianne Wilson has been with Renaissance Healthcare since 2004. Marianne has most recently held the position of Program Manager of Pasadena Villa, and was a therapist there prior to that post. Marianne will be responsible for the clinical integrity and clinical supervision of all service lines in the Orlando market.

Ms. Wilson received her Bachelor's of Arts degree in Psychology from Kean University in New Jersey and her Masters of Arts in Community Counseling from Rollins College. Marianne is a Licensed Mental Health Counselor in the State of Florida, is certified by the National Board of Certified Counselors and is a Qualified Supervisor for Registered Mental Health Counseling Interns.

For more information regarding Renaissance Healthcare Group, contact David Nissen at (407) 896-2636, or visit the website at [www.pasadenavilla.com](http://www.pasadenavilla.com).

-more-

Pasadena Villa is licensed with the Florida Agency for Healthcare Administration as a Level II Residential Treatment Facility. Pasadena Villa implements a very unique social integration model, in conjunction with traditional therapies. Serving clients nationwide, the program works with adults suffering from a variety of conditions, including schizophrenia, schizoaffective disorder, bipolar disorder, anxiety disorder, depression, and co-occurring conditions, including substance abuse and Asperger's Syndrome.

Transitional Living and Learning Center is a life skills development and social mentoring program for young adults who need assistance with social, educational and employment supports.
