Pasadena Villa Offers One Year Aftercare Service

ORLANDO, December 2008 – Pasadena Villa, a premier adult Residential Treatment Facility licensed by the Florida Agency for Healthcare Administration (AHCA), is launching a new aftercare program called OASIS – Outreach and Social Integration Service.

“OASIS – Outreach and Social Integration Service is not merely an aftercare service, it is a rigorous and collaborative post-discharge service designed to increase our clients’ opportunities for success after treatment”, states David Nissen, MBA, FACHE, Managing Director of Pasadena Villa. “Our OASIS Coordinator not only calls clients to see how they are doing, but to offer case management and support services that are focused on critical things like medication compliance, relapse prevention and improved socialization” Mr. Nissen added.

George Kachmarik, LMHC, Clinical Director of Pasadena Villa sees this program as “an active extension of our treatment programs to ensure that the skills and therapeutic strategies learned in Orlando are continued at home. This will provide the best chance of long term maximum social functioning with the goal of a productive and happy life.”
